ACN Enrollment Guide for Families

A random lottery assigned seats, and students (grades 8-12) and parents/guardians (grades K-7) can now [log back in to their EnrollRI accounts](#) and take action to “accept” or “decline” any seats offered. Families have until **Sunday, June 20** to accept any seats offered. Families that do not accept by Sunday, June 20 **will lose their seats**. Vacated and unfilled seats will be filled through waitlists and open enrollment applications.

Please remember, every semester has a maximum number of enrollments for any student to accept. The portal will only allow you to accept up to the course maximums listed below:

1. Summer: 1 credit-bearing course (dual enrollment, work based learning (WBL) or career credential (CC))
2. Fall: 2 courses total (both can be credit-bearing)
3. Spring: 2 courses total (both can be credit-bearing)
4. Yearlong: count as 1 course for fall and 1 course for spring

Step 3 (Parents/Guardians): View a Student Dashboard

Welcome to the All Course Network

Pre-registration for Spring Semester 2021 is now open. Students may pre-register for up to two courses per semester and return to your account to view your pre-registered courses. If you are a student, you may drop courses during the pre-registration period on your high school transcript.

Until then, students may pre-register for up to two courses per semester. A special note for middle and high school students: withdrawing after January 11th will result in a "W" on your transcript.
